- > Slate art workshop for adults and children (all materials included).
- > Civil liability insurance.
- > Tasting of local products, with options for kids, celiacs, and vegans.

Activity Details

Exploring Casaio (1h 30min)

The journey begins with a guided tour through Casaio, a village with a unique history and breathtaking natural surroundings. As we walk, our guide will share stories about its traditional architecture, mining heritage, and rich landscapes. Special attention will be given to the visual elements that inspire local culture and art, from ancient slate houses to the area's distinctive geology.

Stories that inspire

Throughout the tour, participants will discover fascinating anecdotes, myths, and legends linked to Casaio, serving as creative inspiration for the upcoming art workshop. These narratives will highlight the region's mining traditions, historic paths, and deep connection with nature.

Slate Art Workshop (2h 30min)

At a dedicated space provided by Eco dos Teixos, artist Ada Palla will guide participants in creating a unique slate painting. During this hands-on session:

- > You'll learn how to prepare slate as a canvas.
- > Discover paint application techniques and how to create textures.
- > Develop a personal artwork inspired by elements seen during the tour.
- > This workshop is designed for all ages and skill levels, encouraging creativity and a deeper connection to the environment.

Tasting of local products (1h)

To wrap up the experience, participants will enjoy a selection of local delicacies, including cheeses, honey, cured meats, and wines from Valdeorras. The tasting will also include specially curated options for children, celiacs, and vegans—ensuring an inclusive and delightful experience for everyone.

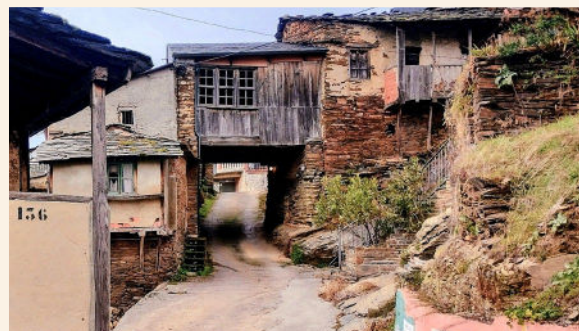

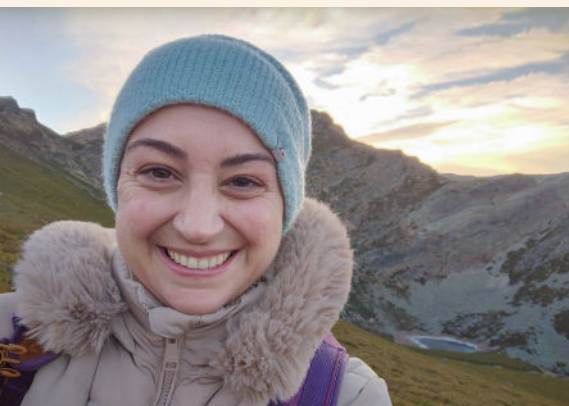

Eco-friendly practices

- > Small group tourism: limited group sizes reduce environmental impact.
- > education on waste management: participants learn about responsible waste disposal.
- > local & seasonal products: the tasting features locally sourced to support sustainability.
